

Q The demand for smaller States reflect both democratic Aspiration and administrative desperation. Critically examine Statement in light of India federal Structure, regional aspiration
• Cultural diversities

Ans India ie Bharat is Union of States reflect dual identity of Cultural and historical significance. Its unique blend Lead to formation of state to meet Democratic aspiration, administrative need, Cultural and region aspiration

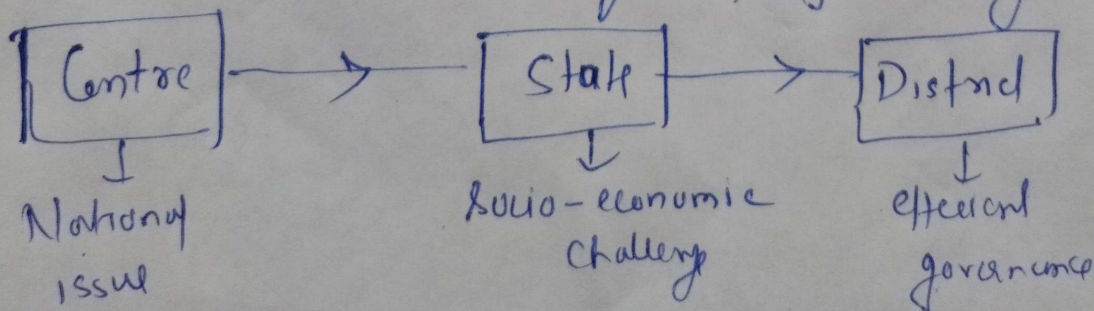

Historical evolution →

State Reorganisation Act 1956
reorganised boundaries into 14 States
created impact on federal Structure
regional aspiration, Cultural diversity

1) Democratic Aspiration

2) Strengthening federal Structure

formation of smaller state
through decentralised governance · address
socio-economic challenges specific to region

2) Meeting Regional Aspiration

Smaller State for drive
regional development by focusing on
marginalised areas
eg Autonomous and Tribal areas

3) Cultural Diversity

Smaller State protect
ethnolinguistic homogeneity, ensuring
preservation of Cultural and linguistic identity
eg: Nagaland Tribal identity

4) Promote Regionalism to address local or regional socio-economic problem

b) Administrative Desperation

1) Administrative efficiency

Small Unit result in faster implementation of policies eg: Chhattisgarh.

2) Economic Optimisation

Optimisation of resource utilisation of natural and human resource

eg: Jharkhand focus on mining industries

3) Cultural promotion

Preservation, promotion of local language culture promote civic cohesion

4) Reduction of Regional Chauvinism

addressing statehood demand meet
reduce regional asp internal conflict by
meeting regional aspiration

Challenges

i) Identity politics Amplification

Ascriptive identity may create rift and division over unity -

ii) Domino effect

Unchecked Statehood demand
may risk quasi federal integrity
eg Mithunthal, Gorkhaland demand

iii) Regionalism

Excessive focus on identity
may ~~create~~ create rift in society
eg North-South Conflict on
Language issue

Way Forward

- i) Establish Regional Development Council to bridge ~~to~~ statehood and status quo
- ii) Creation of Tribunal to mediate dispute proposed Ashutosh Varshney on federalism
- iii) Data Driven Governance to bridge development gap inspired by Amartya Sen work Development as freedom

Thus India has unique blend of State of multiculturalism keeping unity intact.

By Strategic planning, Cultural recognition, Collaborative governance, It can meet regional aspiration keeping Nation Interest
